

CURRICULUM VITAE
Laura H. Lacritz, Ph.D., ABPP/ABCN

Address: University of Texas Southwestern Medical Center
Neuropsychology
Department of Psychiatry
5323 Harry Hines Blvd.
Dallas, TX 75390-8846

Telephone: Office: (214) 648-4650
Fax: (214) 648-4660
Email: laura.lacritz@utsouthwestern.edu

Date of Birth: April 24, 1967

Education:

1989	B.A. in Psychology (Phi Beta Kappa) University of Texas, Austin
1994	Ph.D. in Clinical Psychology University Of Texas Southwestern Medical Center School of Biomedical Sciences
1995 to 1997	Postdoctoral Fellowship in Clinical Neuropsychology University Of Texas Southwestern Medical Center

Licensure: State of Texas Psychologist License # 25366

**Board
Certification:** Diplomate in Clinical Neuropsychology
American Board of Professional Psychology, Diploma #5557

Professional Experience:

10/2025- present	Chief, Division of Psychology
8/2024- present	Chief of Service, Psychology, UTSW
2017- present	Director, Neuropsychology University of Texas Southwestern Medical Center
2016- present	Neuropsychology Training Director University of Texas Southwestern Medical Center
2016-2017	Program Director, Neuropsychology

	Children's Health Children's Medical Center (concurrent with UTSW position)
9-2012-present	Professor of Psychiatry and Neurology University of Texas Southwestern Medical Center
2-2001 to 12-2016	Associate Director of Neuropsychology University of Texas Southwestern Medical Center
10-2010 to 8-2012	Associate Professor of Neurology and University of Texas Southwestern Medical Center
9-2005 to 8-2012	Associate Professor of Psychiatry University of Texas Southwestern Medical Center
10-1997 to 8-2005	Assistant Professor of Psychiatry University of Texas Southwestern Medical Center
6-1999 to Present	Graduate Faculty Southwestern Graduate School of Biomedical Sciences
10-1997 to Present	Neuropsychologist, Alzheimer's Disease Center University of Texas Southwestern Medical Center
7-1995 to 10-97	Post-doctoral Fellowship in Neuropsychology University of Texas Southwestern Medical Center Supervisor: C. Munro Cullum, Ph.D., ABPP/CN
10-1994 to 5-95	Staff Psychologist, Department of Psychology Children's Medical Center at Dallas
11-1994 to 6-95	Psychological Assistant The Neuropsychology Center, private practice, Dallas
8-1993 to 8-94	Chief Resident, Clinical Psychology Doctoral Program University of Texas Southwestern Medical Center
8-1992 to 8-94	Predoctoral Internship in Clinical Psychology (APA approved) University of Texas Southwestern Medical Center

Academic Awards and Professional Honors:

Leaders in Clinical Excellence Mentoring Award (UTSW; 2024)

Level Up Leadership Development Program (UTSW; selected participant 2024-2025)

Fellow, American Psychological Association; Division 40 (2020)

Distinguished Service Award, National Academy of Neuropsychology (2020)

guished Psychologist of the Year, Dallas Psychological Association (2019)

Regents' Outstanding Teaching Award, University of Texas System (2017)

UT KenneKenneth Shine, MD Academy of Health Science Education (Selected member, 2016)

Distinguished Teaching Professor (UTSW; 2016)

Selected member UT Southwestern Academy of Teachers (SWAT; 2015)

Most Influential Mentor, UT Southwestern Clinical Psychology Graduate Program, 2013

Certificate of Appreciation, UT Southwestern clinical Psychology Graduate Program, 2012

APA Leadership Institute for Women in Psychology, 2011 (selected delegate)

Outstanding Teacher Award, UT Southwestern Clinical Psychology Graduate Program, 2009

Distinguished Alumni Award, UT Southwestern Clinical Psychology Graduate Program, 2008

Fellow, National Academy of Neuropsychology, 2005

UT Southwestern Medical Center PACT Patient Care and Service Recognition, 2005

Chief Resident, UT Southwestern Clinical Psychology Program, 1993- 1994

Liberal Arts Council, UT Austin, 1988-1989

Phi Beta Kappa, 1988

Professional Affiliations:

American Academy of Clinical Neuropsychology
American Psychological Association
Society of Clinical Neuropsychology
International Neuropsychological Society
National Academy of Neuropsychology

Editorial Functions:

Post hoc reviewer Archives of Clinical Psychology
Post hoc reviewer The Clinical Neuropsychologist
Post hoc reviewer Frontiers of Neurology
Poster reviewer, National Academy of Neuropsychology (1998-2000)

Research Review Functions:

Safety Officer: Smartphone-Based Solutions for Prospective Memory in Mild Cognitive Impairment and Dementia (R01-AG082783-01; PIs: Michale Scullin, Jared Benge)

Committees:

Local:

UT Southwestern Academy of Teachers (SWAT; Fellowship and Grants Committees)

Psychiatry Department Appointment and Promotion Committee (UTSW; 2022-Present)

Psychiatric Hospital Planning Committee (Forensics Subcommittee; UTSW 2022-Present)

Promotion and Tenure Committee (UTSW, 2020-present)

Psychiatry Ad Hoc Patient Safety Committee (UTSW, 2019-present)

Graduate School Awards Committee (UT Southwestern Medical Center, 2017-2018)

Women's Integrative Healthcare Initiative (UT Southwestern Medical Center, Co-Chair; 2015-2016)

Admissions Committee, Clinical Psychology Program, Southwestern Graduate School of Biomedical Sciences (*member* 1997- 2016, 2025-; *co-chair* 2003- 2006, 2009-2012; *Chair* 2013-2025)

Diversity and Inclusion Committee in Clinical Psychology (UT Southwestern Medical Center, 2015-present)

Community Homes for Adult, Inc. (CHAI; Board of Directors: 2012- 2018; *Chair* of Professional Advisory Committee: 2014-present)

Faculty Advisor, UTSW chapter of the Association of Neuropsychology Students in Training (2011-2024)

Faculty Advisor, Faculty and Student Organization of Clinical Psychology at UT Southwestern Medical Center (2006-2024)

Steering Committee, Clinical Psychology Program, Southwestern Graduate School of Biomedical Sciences (2005-present)

Clinical Training Committee, Clinical Psychology Program, Southwestern Graduate School of Biomedical Sciences (2005-present)

Competency Committee, Clinical Psychology Program, UT Southwestern Medical Center (*Co-Chair*; 2009-2012)

Faculty Development and Retention Committee, Psychiatry Department, UT Southwestern Medical Center (*Chair*; 2007-2009)

Background Review Committee, Graduate School, UT Southwestern Medical Center (2006-2008)

State Examiner for Texas State Board of Examiners of Psychologists (2003-2015)

Clinical Exam Committee, Clinical Psychology Program, Southwestern Graduate School of Biomedical Sciences (1997-present)

Graduate Studies Committee, Clinical Psychology Program, Southwestern Graduate School of Biomedical Sciences (1997-2005)

Essential Functions Committee, Clinical Psychology program, Southwestern Graduate School of Biomedical Sciences (2002)

Psychiatry Clinical Faculty Review Committee, UT Southwestern Medical Center (2003-2005)

National:

Policy and Planning Committee (Chair); National Academy of Neuropsychology (2022-2025; member 2025-2026)

Minnesota Update Conference for Training Guidelines in Neuropsychology (Delegate; September 2022)

Houston Conference Guideline Update; Planning Commission (2021-2022)

Leadership and Ambassador Development (LEAD) Program Task Force Chair, National Academy of Neuropsychology (2017- Present)

Past-President, Board of Directors, National Academy of Neuropsychology (2017-2019)

President, National Academy of Neuropsychology (2016)

President Elect, Board of Directors, National Academy of Neuropsychology (2015)

Trustee, National Academy of Neuropsychology Foundation (2015-2019)

NAN representative, Clinical Neuropsychology Synarchy (2015-2019)

Treasurer, National Academy of Neuropsychology (2011-2013)

Education Committee, National Academy of Neuropsychology (2007- 2009)

Conflict of Interest Committee, Division 40, American Psychological Association (2005-2008)

Membership Committee, National Academy of Neuropsychology (2000- 2003)

Student Research Awards Committee (Chairperson) – National Academy of Neuropsychology Annual Conference (2001)

Primary Teaching Activities:

Introduction to Neuropsychology Course (#5350) for doctoral students in Clinical Psychology, UTSW (course instructor, 2000-2002, 2007-2017); semester long course focused on understanding of core cognitive functions and associated neuroanatomical underpinnings, neuropsychological assessment, and overview of common neurological disorders and associated neuropsychological profiles

Advanced Neuropsychology (#5250), doctoral Clinical Psychology program, UTSW (course instructor, 2006, 2009, 2014, 2016; 2019); Summer elective course focused on advanced neuropsychological understanding of specific neurological disorders and their cognitive and behavior manifestations

Advanced Neuropsychological Case Conference, doctoral Clinical Psychology program, UTSW (course instructor, 2011); Summer seminar focused on advanced neuropsychological interpretation using case studies

Clinical and Research supervisor of Postdoctoral Fellows in Neuropsychology, UTSW (1999- present)

Clinical and Research supervisor of Clinical Psychology Interns in Neuropsychology, UTSW (1995- present)

Research supervisor of Clinical Psychology doctoral students, UTSW (1997-)

Research and clinical supervisor of Rehabilitation Counseling Psychology Interns in Neuropsychology, UTSW (1997-2019)

Neuropsychology Assessment Laboratory for Introduction to Neuropsychology Course in Clinical Psychology doctoral program, UTSW (1996-1999)

Coordinator and presenter for seminar in post-doctoral neuropsychology residency training program, UT Southwestern Medical Center (1997-present)

Neuropsychology lectures to fourth year medical students, UTSW Neurology

Clerkship Series (1995-1998)

Physician Assistant program (lecturer), UTSW (1995-2009)

Geropsychiatry Residency Seminar (lecturer), UTSW (1999- 2011)

Supervisor of Psychiatry and Neurology Resident rotations in Neuropsychology, UTSW (1999-2015)

Doctoral Dissertation Committees:

Alyssa Kaser (2025). Everyday Functioning and Neuropsychological Performance in Mild Cognitive Impairment Within a Diverse, Community-Based Cohort. (Chair). UT Southwestern Medical Center. ***2024 Jess Hay Chancellor's Fellowship award by the UT System in support of doctoral dissertation.**

Fatima, Hudaisa (2025). Cognitive Dispersion as a Metric for Predicting Risk of Alzheimer's Disease in Racial-Ethnic Minority Patients: Considerations to Sociocultural Factors and Disease-specific Biomarkers. UT Southwestern Medical Center

Longoria, Anthony (2024). Impact Of Subjective Experiences of Neighborhood Quality and Socioeconomic Status on Cognitive Outcomes Through an Allostasis Framework. (Chair). UT Southwestern Medical Center.

Goette, William (2023). Explaining racial and ethnic disparities in Alzheimer's disease diagnosis with joint estimation of life course social inequities and measurement bias in verbal memory assessment (Chair). UT Southwestern Medical Center. **Winner Outstanding Dissertation Award by National Academy of Neuropsychology (2024)**

Presley, C. (2022). Development of a new naming test: The Southwestern Item Fluency Test (SWIFT). UT Southwestern Medical Center.

Smith, E. (2020). Multiple lifestyle factors related to cognitive aging. (Co-Chair) UT Southwestern Medical Center. **Winner Outstanding Dissertation Award by National Academy of Neuropsychology (2021)**

Tan, A. (2018). Cognitive profiles in pediatric demyelinating diseases. UT Southwestern Medical Center.

Dhima, K. (2018). Cognitive and biomarker profiles of subtypes in Parkinson's disease. (Chair). UT Southwestern Medical Center.

Wadsworth, H. (2018). Impact of head injury history on cognition in patients with epilepsy. UT Southwestern Medical Center.

Brown, D (2016). Use of Regional Brain Volume, the Montreal Cognitive Assessment, and Self-Reported Cognitive Complaint to Predict Future Cognition. (Chair). UT Southwestern Medical Center.

***2016 Jess Hay Chancellor's Fellowship award by the UT System in support of doctoral dissertation.**

***Winner of the UTSW Clinical Psychology Dissertation Award (2016)**

Denney, D (2015). Cognitive and Behavioral Predictors of Fall Risk in Parkinson's disease. (Chair). UT Southwestern Medical Center.

Pandya, S (2015). Identifying Predictors of Reversion Mild Cognitive Impairment Normal Cognition. UT Southwestern Medical Center.

Horton, D (2015). Abbreviated and Expanded Forms of the Montreal Cognitive Assessment for Dementia Screening. UT Southwestern Medical Center.

Carter, K (2014). The Relationship of Atherosclerosis Progression to Cognition: The Dallas Heart Study. UT Southwestern Medical Center.

Falkowski, J (2014). The Relationship between Cognitive Functioning and Duration of the Metabolic Syndrome. UT Southwestern Medical Center. (Chair). ***Winner of Dallas Psychological Association Dissertation Award.**

Parikh, M (2013). Prediction of progression in Alzheimer's disease. UT Southwestern Medical Center.

Grosch, M. (2012) Analysis of Neurocognitive Elements of Attention Following Chemotherapy. UT Southwestern Medical Center.

Noll, K. (2011) Detection of Cognitive Dysfunction in Newly Diagnosed Multiple Sclerosis. UT Southwestern Medical Center. (Chair)

Rosvall, T (2010). MMPI-2 Restructured Scales in Multiple Sclerosis. UT Southwestern Medical Center. (Chair)

Rossetti, H. (2010). Subclinical Atherosclerosis and Cognitive Functioning in a Population-Based Sample. UT Southwestern Medical Center. (Chair)

Bernardo, K. (2010). The Relationship Of Inflammatory Markers to Cognitive Function in a Population –Based Sample. UT Southwestern Medical Center. (Chair)

Fields, J. (2008). Functional Connectivity of the Posterior Cingulate in Mild Cognitive Impairment, Alzheimer's Disease, and Controls. UT Southwestern Medical Center.

Long, S. (2008). Functional Connectivity of Entorhinal Cortex in Alzheimer's Disease. UT Southwestern Medical Center.

Binegar, D. (2007). Use of the Test of Everyday Functional Assessment in MCI and normal controls. UT Southwestern Medical Center.

McDonald, N. (2005). Leukoariosis as a predictor of progression and course in Mild Cognitive Impairment and Alzheimer's Disease. UT Southwestern Medical Center. (Chair)

Marquez de la Plata, C. (2005). Development of a new Spanish language Confrontation naming test. UT Southwestern Medical Center.

Eisenman, D. (2005). Validation of an empirically derived Wada memory test for use in intractable epilepsy. (Chair)

Knox, M. (2004) Neuropsychological Algorithms in the Diagnosis of Alzheimer's Disease, UT Southwestern Medical Center.

Chandler, M. (2004). Development of a Total Score for the Consortium to Establish a Registry for Alzheimer's Disease (CERAD) neuropsychological Battery, UT Southwestern Medical Center.

Cooper, D. (2001). Acute cognitive recovery in patients with good neurosurgical outcome following cerebral aneurysm, UT Southwestern Medical Center.

Smernoff, E. (2000). Cognitive functioning in the offspring of patients with Alzheimer's disease, UT Southwestern Medical Center.

Ringe, W. (2000). Relationships between executive functioning and quality of life in epilepsy surgery candidates, UT Southwestern Medical Center.

Cicerello, A. (1999). Neuropsychological functioning in MRI-derived subgroups of schizophrenia, UT Southwestern Medical Center.

Ogden, M. (1998). A comparison of methods to localize the epileptic focus: Determining the most effective predictors of seizure laterality, UT Southwestern Medical Center.

Master's Thesis Committees:

Chansard, M (2015). Factors Influencing Quality of Life in Parkinson's Disease. (Chair). UT Southwestern Medical Center.

***Winner of 2015 Rehabilitation Counseling Outstanding Thesis Award**

Weaver, A. (2015). Mild Cognitive Impairment in an Alzheimer's Disease Center: Characterization and Differences Based on Subjective Cognitive Complaint. UT Southwestern Medical Center.

Shruthi Rao (2014). Practice effects on verbal memory in normal controls and memory impaired samples. (Chair). UT Southwestern Medical Center.

Ritter, Ashley (2013). Neurocognitive functioning in Multiple Sclerosis: Sensitivity

and Specificity of a Short Versus Extended Battery. (Chair)

Denney, D. (2009). Subtypes of Mild Cognitive Impairment. How early can changes be seen? UT Southwestern Medical Center. (Chair)

Simmons, A. (2008). Comparison of the Inventory of Depressive Symptomatology-Self Report to the MMPI-2. UT Southwestern Medical Center. (Chair)

Richardson, H. (2007). Assessment of progression in Alzheimer's disease using the Consortium to Establish a Registry for Alzheimer's Disease (CERAD) Neuropsychological Battery total score. UT Southwestern Medical Center. (Chair)

Ninman, E.T. (2004). Clinical differences in frontotemporal dementia and frontal variant of Alzheimer's disease. UT Southwestern Medical Center. (Chair)

George, E. (2004). A Neuropsychological Evaluation of Patients with Repeated Diabetic Ketoacidotic Episodes. UT Southwestern Medical Center.

Flood, A. (2004). Evaluation of depression in pre- and post-operative temporal lobe epilepsy patients. UT Southwestern Medical Center. (Chair)

Gonzalez, D. (2003). Nonverbal subtype of mild cognitive impairment, UT Southwestern Medical Center. (Chair)

Cruzen, M. (2000). Characteristics of verbal and visual subtypes on Alzheimer's disease, UT Southwestern Medical Center. (Chair)

Current Grants/Endowments Awarded:

Endowment: 8/25/2020 - ongoing

Title: Pauline Wallace Memory Endowment in support of Alzheimer's Disease Research

Role: Director

Grantor: Reynold Foundation
9/1/2022-12/31/2024

Title: Dallas Hearts and Minds Study

Role: Co-I, Head, Neuropsychology Phenotype

Grantor: NIH/NIA (1F31AG076284-01)
9/1/2022-3/1/2023

Title: Explaining racial and ethnic Alzheimer's disease disparities with joint estimation of life course social inequities and measurement bias in verbal memory assessment between racial groups

Role:	Mentor
Grantor:	American Psychological Foundation Lorraine D. Eyde Fund Grant 2022
Title:	Examining bias in neuropsychological tests using to better understand differences in test performance between racial groups
Role:	Mentor
Amount:	\$1500
Grantor:	State of Texas 10/16/2020 – 3/30/2023
Title:	Utility of Neuropsychological Methods to Improve Diagnostic Accuracy of Mild Cognitive Impairment
Principal Investigator	Anne Carlew, PhD
Role on Project:	Co-Investigator; Mentor; PI 9/2022
Amount:	\$200,000
Grantor:	State of Texas 9/1/19 – 8/31/2024
Title:	TARCC Neuropsychology of Dementia Fellowship
Principal Investigator	Laura Lacritz, PhD
Role on Project:	PI, Training Director
Amount:	\$400,000
Grantor:	BvB Dallas Foundation 9/1/16 – 8/31/2024
Title:	Alzheimer's Disease Neuropsychology Fellowship
Principal Investigator	Laura Lacritz, PhD
Role on Project:	PI, Training Director
Amount:	\$550,00
Grantor:	State of Texas 01/01/19 – 8/31/23
Title:	Longitudinal Continuation of TARCC Hispanic Cohort
Principal Investigator:	John Hart, MD
Role on project:	Co-Investigator; 10% time & effort
Grants Completed:	
Grantor:	Alzheimer's Association (NIRG-14-322666) 01/01/15 – 12/31/16
Title:	Montreal Cognitive Assessment for Detection of MCI in African Americans
Principal Investigator:	Heidi Rossetti, PhD
Role on project:	Co-Investigator; 5% time & effort
Grantor:	NIH (5-P30-AG12300-03) 09/01/03 – 3/31/17

Title: Neurobiology of Alzheimer's Disease
Principal Investigator: Roger Rosenberg, MD
Role on project: Investigator; Neuropsychologist; 11% time & effort

Grantor: State of Texas 9/1/07 - 8/31/17
Title: Texas Alzheimer's Disease Research Consortium
Principal Investigator: Perrie Adams, PhD
Role on project: Investigator; Neuropsychologist; 10% time & effort

Grantor: NIH Challenge Grant 1/1/10 - 9/1/11
Title: Validating NIH's New Clinical Tools in Parkinson's Disease with and without Depression
Principal Investigator: Mustafa Hussain, MD
Role on project: Investigator; Neuropsychologist; 4% time & effort

Grantor: NIH (5-P30-AG12300-11S2) 04/01/04 – 3/31/06
Title: The Alzheimer's Disease Genetics Initiative: The Multiplex Family Study
Local Principal Investigator: Ramon Diaz-Arrastia, MD
Role on project: Investigator; Neuropsychologist; 5% time & effort

Grantor: NIH / Alzheimer's Disease Center Pilot Project 4/02– 3/03
Title: Classification of memory subtypes of mild cognitive impairment
Principal Investigator: Laura Lacritz, Ph.D. & Anne Lipton, MD
Role on project: Co-PI
Amount: \$30,000

Grantor: NINCDS U01 NS042372-01A1R 09/01/02 -2004
Title: Early Randomized Surgical Epilepsy Treatment
Principal Investigator: Pete Engle, MD
Role on project: Sub-investigator, Neuropsychologist

Grantor: UTSW Dept. of Psychiatry Seay Research Fellowship
07/00 - 06/01
Title: Functional magnetic resonance imaging and intracarotid amytal assessment in the localization of cognitive function in epilepsy
Principal Investigator: Wendy Ringe, PhD
Role on project: Sub-investigator
