Curriculum vitae

Date Prepared: January 28, 2015

Name: Erin Eileen Gordon, D.O.

Office Address: 5323 Harry Hines Blvd.

Dallas, TX 75390-9063

Work Phone: 214-456-1811

Work E-Mail: Erin.Gordon@utsouthwestern.edu

Work Fax: 214-456-6446

Place of Birth: Oak Lawn, IL

Education

Year	Degree (Honors)	Field of Study (Thesis advisor for PhDs)	Institution
2003-2008	D.O.	Medicine	Midwestern University – Chicago College of Osteopathic Medicine; Downers Grove, IL
1997-2001	B.S.	Applied Health Sciences/Minor in Biology	Indiana University; Bloomington, IN

Postdoctoral Training

Year(s)	Titles	Specialty/Discipline (Lab PI for postdoc research)	Institution
2008-2011	Resident	Pediatrics	University of Iowa Hospital and Clinics; Iowa City, IA
2011-2014	Fellow	Pediatric Critical Care	University of Iowa Hospital and Clinics; Iowa City, IA
2014-2015	Fellow	Pediatric Cardiac Critical Care	University of Texas Southwestern; Dallas, TX

Current Licensure and Certification

Licensure

2013 Iowa License

2014 Texas License

Board and Other Certification

2011 General Pediatrics Board Certification, Diplomate #684973

2014 Pediatric Critical Care Board Certification, Diplomate #684973

Faculty Academic Appointments

Year(s)	Academic Title	Department	Academic Institution
2014- Present	Instructor of Pediatrics	Pediatrics/Critical Care	UT Southwestern Medical Center, Dallas, TX

Appointments at Hospitals/Affiliated Institutions

Past			
Year(s)	Position Title	Department/Division	Institution
2001-2003	Patient Care Technician	Cardiology	Central DuPage Hospital, Winfield, IL
Current			
Year(s)	Position Title	Department/Division	Institution
2014-Present	Instructor of Pediatrics	Pediatrics/Critical Care	UT Southwestern Medical Center, Dallas, TX

Professional Societies

Dates	Society Name, member
2011	Society of Critical Care Medicine, Member
2008	American Academy of Pediatrics, Member
2003	American Osteopathic Association, Member

Grant Support

Past:	Grantor: T32HL07121		
	Title of Project: Hyperglycemia Rapidly Induces Fetal Cardiac Hypertrophy		
	Role (Principal Investigator, Co-Investigator): Principal Investigator		
	Total amount of award (if multi-year) and dates (direct costs only):\$65,0000, 7/1/2013-6/30/2014		

Past:	Grantor: Children's Miracle Network Research Grant
	Title of Project: Hyperglycemia Rapidly Induces Fetal Cardiac Hypertrophy
	Role (Principal Investigator, Co-Investigator): Principal Investigator
	Total amount of award (if multi-year) and dates (direct costs only):\$5000, 7/1/2013-6/30/2014
	Grantor: T32HL07121

Title of Project: Hyperglycemia Rapidly Induces Fetal Cardiac Hypertrophy
Role (Principal Investigator, Co-Investigator): Principal Investigator
Total amount of award (if multi-year) and dates (direct costs only): \$65,000, 7/1/2012-6/30/2013
Grantor: Children's Miracle Network Research Grant
Title of Project: Hyperglycemia Rapidly Induces Fetal Cardiac Hypertrophy
Role (Principal Investigator, Co-Investigator): Principal Investigator
Total amount of award (if multi-year) and dates (direct costs only): \$5,000, 7/1/2012-6/30/2013

Invited Lectures

Year(s)	Title	Location
National		
February 2014	Fetal Hyperglycemia Activates JNK, Relation to Fetal Cardiac Hypertrophy. Poster Presentation at Cardiology 2014	Orlando, Florida
January 2014	Hyperglycemia Rapidly Induces Fetal Cardiac Hypertrophy. Poster Presentation at Society of Critical Care Meeting	San Francisco, California
May 2013	Hyperglycemia Rapidly Induces Fetal Cardiac Hypertrophy. Poster Presentation at Pediatric Academic Society	Washington, District of Columbia
Regional/Local		
April 2014	Fetal Hyperglycemia Activates JNK, Relation to Fetal Cardiac Hypertrophy. Poster Presentation at Pediatric Research Day, University of Iowa Hospitals and Clinics	Iowa City, Iowa
April 2013	Hyperglycemia Rapidly Induces Fetal Cardiac Hypertrophy. Platform and Poster Presentation at Pediatric Research Day, University of Iowa Hospitals and Clinics	Iowa City, Iowa
2013	The "Skinny" on the Use of Peritoneal Dialysis after Congenital Heart Surgery. Presented at Monthly Pediatric Critical Care Evidence-based Medicine Conference, University of Iowa Hospital and Clinics	Iowa City, Iowa
2012- June 2014	Perioperative Care of Congenital Heart Disease. Presented at Monthly pediatric resident critical care core curriculum presentation, University of Iowa Hospital and Clinics;	Iowa City, Iowa

2012- June 2014	Traumatic Brain Injury. Presented at Monthly pediatric resident critical care core curriculum presentation, University of Iowa Hospital and Clinics	Iowa City, Iowa
2012- June 2014	Respiratory Failure. Presented at Monthly pediatric resident critical care core curriculum presentation, University of Iowa Hospital and Clinics	Iowa City, Iowa
2012-June 2014	Critical Care Airway Emergency. Presented at Monthly pediatric resident critical care core curriculum presentation, University of Iowa Hospital and Clinics	Iowa City, Iowa
2011- June 2014	Bi-Monthly Morbidity and Mortality Conference, University of Iowa Hospital and Clinics	Iowa City, Iowa
2012	Pulmonary Atresia with Intact Ventricular Septum. Presented at Pediatric Cardiac Critical Care Core Curriculum, University of Iowa Hospital and Clinics	Iowa City, Iowa
2012	LVOT Obstruction, Coarctation of the Aorta and Interrupted Aortic Arch. Presented at Pediatric Cardiac Critical Care Core Curriculum, University of Iowa Hospital and Clinics	Iowa City, Iowa
2011 & 2012	Cardiopulmonary Interactions. Presented at Pediatric Cardiac Critical Care Core Curriculum, University of Iowa Hospital and Clinics	Iowa City, Iowa
2011	Status Asthmaticus. Presented at Pediatric residency annual case presentations, University of Iowa Hospital and Clinics	Iowa City, Iowa
2011	Cardiovascular Screening in College Athletes with and without Electrocardiography. Presented at Pediatric residency journal review presentation, University of Iowa Hospital and Clinics	Iowa City, Iowa
2010	Tetanus. Presented at Pediatric residency annual case presentation, University of Iowa Hospital and Clinics	Iowa City, Iowa
2010	Acute Liver Failure in a Complex Medical Situation in the face of Improved Technology. Presented at Pediatric residency morbidity and mortality conference, University of Iowa Hospital and Clinics	Iowa City, Iowa

Service to the Community

Year(s)	Role	Organization or institution
2002-2008	Organized 5K run/walks to benefit young adults with cancer Advocated for Malignant Fibrous Histiocytoma and other sarcoma research in Chicago metro area; Committee Member	Ulman Cancer Foundation, Chicago, IL
2003-2008	A weekly not-for-profit medical clinic sponsored by	Community Health Clinic,

	Midwestern University students; Volunteer	Chicago, IL;
2002	Assisted in the treatment of hypertension epidemic in Kiev; Volunteer	Medical Mission Abroad, Light of the Nation, Ukraine;
2001	Assisted in the preparation and distribution of meals to homeless population ;Volunteer	Community Kitchen, Bloomington, IN
1999-2000	Mentored a young female suffering from Asperger's Syndrome; Volunteer	Chicago Park District Mentoring Program Chicago, IL
1999	Volunteered in Pediatric obesity clinic; volunteer	La Rabida Children's Hospital, Chicago, IL
