

**CURRICULUM VITAE
IRINA STANASEL, MD**

OFFICE ADDRESS Children's Medical Center, Department of Pediatric Urology
2350 N Stemmons Frwy, Ste. 4300, MC: F4.04
Dallas, TX 75207
Office: 215-456-2497
Cell: 512-554-9376
irina.stanasel@utsouthwestern.edu

EDUCATION

Pediatric Urology Fellow
Texas Children's Hospital (2013-2015)

Urology Resident
Wake Forest University Baptist Medical Center (2009 - 2013)

General Surgery Intern
Wake Forest University Baptist Medical Center (2008)

Baylor College of Medicine, Houston, Texas
M.D. (2008)

University of Texas, Austin, Texas
B.S., Chemical Engineering (2004)

PROFESSIONAL EXPERIENCE

UTSW Medical Center/Children's Medical Center (June 2017-present)
Assistant Professor
Department of Pediatric Urology

The University of New Mexico (July 2015-2017)
Assistant Professor
Department of Surgery/Division of Urology

CERTIFICATIONS

Board Certified Urologist, American Board of Urology, March 2017
Subspecialty Certification in Pediatric Urology, October 2019

LECTURESHIPS

July, 2019—EBF3/HADD Patient Conference, Houston, TX
Urological Implications in EBF3 Gene Mutation Patients

June, 2019—Pediatric Urologic Urgencies
51st Annual Kenneth C. Haltalin Pediatrics for the Practitioner Conference, Dallas, TX

May, 2019—Ureteroceles: interesting cases and common conundrums
Dallas/Ft. Worth Pediatric Urology Convention, Dallas, TX

February, 2018—Fetal Urology
UT Southwestern Grand Rounds, Dallas, TX

January, 2018—Hydroureteronephrosis Through the Ages
Paul C. Peters Urology Symposium, Dallas, TX

December, 2016—Normal and abnormal sex development
Medical Student Human Reproduction Block, The University of New Mexico, Albuquerque, NM

December, 2016—Testis and prostate anatomy and pathology
Medical Student Human Reproduction Block, The University of New Mexico, Albuquerque, NM

September, 2016—What's new in pediatric urology?
Baylor College of Medicine Innovations in Urologic Practice, Santa Fe, NM

August, 2016—Healthy habits for a healthy bladder and bowel
Albuquerque Public School Nurses' Conventions, Albuquerque, NM

July, 2016—Cryptorchidism for the general pediatrician
PEDx Televised Lecture Series, Albuquerque, NM

April, 2016—Bladder bowel dysfunction
New Mexico Pediatric Society Annual Meeting, Albuquerque, NM

April, 2016—The adolescent male physical exam
Division of Adolescent Medicine, The University of New Mexico, Albuquerque, NM

December, 2015—Testicular and prostate anatomy and physiology
Medical Student Human Reproduction Block, The University of New Mexico, Albuquerque, NM

September, 2015—Fetal intervention for urological conditions
Neonatal Intensive Care Unit Grand Rounds, The University of New Mexico, Albuquerque, NM

August, 2015—Update on pediatric urology
Department of Pediatrics Grand Rounds, The University of New Mexico, Albuquerque, NM

Stanasel, I, Richard J, Hemal A. *Robotic Assisted Distal Ureterectomy with Ureteroneocystotomy*. World Congress of Endourology, 2010.

ABSTRACTS

Chen C, **Stanasel I**. *Potential outcomes of uncorrected high grade vesicoureteral reflux*. Society of Fetal Urology, May 2019.

Satyanarayan A, **Stanasel I**. *Prevalence of pseudomonas in patients who develop urinary tract infection after common urologic surgery*. South Central Section of the American Urological Association Meeting, October 2019.

EXTRACURRICULAR

2019	Society of Fetal Urology Abstract Session Moderator
2019	Infertility preservation protocol development for hematology/oncology patients in CMC
2018-Present	Director of Pediatric Urology for Pediatric Urology Specialty Clinic in Tyler, TX
2018-Present	Physician Advisory Council Member
2017-Present	Catheter Associated Urinary Tract Infection Committee Member
2016-2017	AUA Abstract Review Team Member for Society of Pediatric Urology
2015-Present	Credentials Committee, The University of New Mexico, Albuquerque, NM
2015-Present	Surgical Quality Improvement Committee, The University of New Mexico, Albuquerque, NM

- 2015-Present Residency Review Committee, The University of New Mexico, Albuquerque, NM
- 2014-2015 Integrated Problem Solving Facilitator—the position involved leading a small group of medical students through solving clinical problems. I facilitated discussion, assigned learning issues, taught appropriate use of various sources, and evaluated the students' progress.
- 2014-2015 Clinician Scientist Training Program—program designed to train motivated individuals to become successful, independent clinical investigators through seminars and courses taught within the Baylor Graduate School of Biomedical Sciences and the University Of Texas School Of Public Health.
- 2013-2015 Fellowship and Education Committee, Texas Children's Hospital—fellow representative to this committee, which is focused on promoting educational opportunities for all surgical fellows, as well as communication and resource sharing among fellows.
- 2010-2013 Resident Quality Improvement Council Member, Wake Forest University—I was part of group of residents who created this council, which was focused on involving residents in quality improvement. I initiated projects such as the Foley Catheter Insertion Safety Project, a project that brought urology residents and nurses together to share information about safe Foley catheter insertion and maintenance.
- 2010-2013 Southeastern Section of the American Urological Association Resident Committee Leader—I represented all residents within the Southeastern Section of the AUA to the National Resident Committee. I communicated regarding national opportunities to residents within my section. I helped organize and participated in the AUA Quiz Bowl.

HONORS AND CERTIFICATES

- June 1, 2015 Ulyanovsk Pediatric State Hospital—invited fellow to participate in multidisciplinary effort to provide surgical training to physicians in Russia.
- May 15, 2013 First prize in American Urological Association Resident Quiz Bowl.
- March 13, 2013 Second Prize in Hugh Hampton Young Radiology Contest, Southeastern Section of the American Urological Association Annual Meeting.
- January 5, 2013 IVUMed Resident Scholar—traveled to Ahmedabad and Bhopal, India and participated in numerous bladder exstrophy and complex hypospadias repair operations.
- October 23, 2011 First Prize in the 12th Annual North Carolina Resident Debate.
- June 19, 2010 Wake Forest University School of Medicine Department of Urology Academic Achievement award for July 1, 2009 – June 30, 2010. This award is given to the resident with the highest in-service score.

PROFESSIONAL ASSOCIATIONS/AFFILIATIONS

- 2013-Present Society of Pediatric Urology
- 2013-Present Society of Fetal Urology
- 2008-Present American Urological Association
- 2008-Present Society of Women in Urology
