

## *Curriculum vitae*

**Date Prepared:** March 16, 2023

**Name:** Megan A. Mullins

**Office Address:** 5323 Harry Hines Blvd.  
Dallas, TX 75390-9169

**Work Phone:** 214-648-2558

**Work E-Mail:** Megan.Mullins@UTSouthwestern.edu

### **Education**

Year	Degree (Honors)	Field of Study (Thesis advisor for PhDs)	Institution
2008	BA	Political Science	Southwestern University Georgetown, TX
2015	MPH	Epidemiology	University of Michigan School of Public Health Ann Arbor, MI
2020	PhD	Epidemiologic Sciences (Thesis advisors: Phillipa J. Clarke, Michelle Cote)	University of Michigan School of Public Health Ann Arbor, MI

### **Postdoctoral Training**

Year(s)	Titles	Specialty/Discipline (Lab PI for postdoc research)	Institution
2020-2022	Postdoctoral Fellow	T32 Cancer Care Delivery Research (PI: Lauren Wallner)  Cancer Care Delivery Research Fellow	University of Michigan Rogel Cancer Center Ann Arbor, MI  NRG Oncology

### **Honors and Awards**

Year	Name of Honor/Award	Awarding Organization
2006	Benjamin A. Gilman Scholar	US Department of State
2007	Spanish Honor Society	Sigma Delta Phi
2007	Political Science Honor Society	Pi Sigma Alpha

2007	Chemistry Scholar	Welch Foundation
2013-2015	Dean's Research Award Recipient	University of Michigan School of Public Health
2013-2015	Dean's Award Recipient	University of Michigan School of Public Health
2015	Kathleen Ann Torphy Hoyi Memorial Scholarship Recipient for Achievement in Cancer Research	University of Michigan Epidemiology
2017	Electra Paskett Scholarship Recipient for Top Trainee Abstract	American Society of Preventive Oncology
2017	Invited Participant	Michigan Center for Urban African American Aging Research Summer Workshop
2017	Invited Participant	American Association for Cancer Research Integrative Molecular Epidemiology Workshop
2017	Amy and Lawrence Cho Scholar	Center for the Education of Women
2017	Travel Grant Recipient	Cancer Disparities Research Network Region Four
2021	Invited Participant	Sexual and Gender Minority Cancer Curricula to Advance Research & Education
2022	Invited Participant	NCI Multilevel Intervention Training Institute
2022-2025	THR Clinical Scholar	Texas Health Resources

### **Faculty Academic Appointments**

Year(s)	Academic Title	Department	Academic Institution
2021	Lecturer	Epidemiology	University of Michigan School of Public Health
2022-Present	Assistant Professor	Population & Data Sciences	UT Southwestern Medical Center
2022-Present	Member	Population Science & Cancer Control	Harold C. Simmons Comprehensive Cancer Center

### **Committee Service** (*Member, unless noted otherwise*)

Year(s)	Name of Committee	Institution/Organization
<u>UTSW</u>		
2022-Present	Health Promotion Agency and Structure Curriculum Development Committee	UT Southwestern O'Donnell School of Public Health

2022-Present	Health Systems Science Curriculum Development Committee	UT Southwestern O'Donnell School of Public Health
<u>Hospital</u>		
2022-Current	Texas Health Resources Clinical Scholars	Texas Health Resources
<u>State/Regional</u>		
<u>National/International</u>		
2021- Present	Cancer Care Delivery Research Committee	NRG Oncology

### **Professional Societies**

Dates	Society Name, member
2016-2017	University of Michigan Undergraduate Public Health Mentoring Steering Committee, Leadership
2017-2018	University of Michigan Epidemiology Methods Journal Club, Co-Leader
2017-Current	American Association of Cancer Research, Member
2017-Current	American Society of Preventive Oncology, Member
2019-Current	Academy Health, Member
2018-2020	American Society of Preventive Oncology Health Disparities Special Interest Group, Leadership council
2020	Interdisciplinary Association for Population Health Science, Member
2020-2022	Postdoctoral women in health research peer-mentoring group, Founder/leader
2022-Present	American Society of Clinical Oncology, Member

### **Grant Review Activities**

Year(s)	Name of Review Committee	Organization

### **Editorial Activities**

Year(s)	Journal Name
<u>Editor/Associate Editor</u>	
<u>Editorial Board</u>	

<b><u>Ad Hoc Reviewer</u></b>	
	American Journal of Epidemiology
	Cancer
	Cancers
	Cancer Causes and Control
	Cancer Control
	Cancer Epidemiology, Biomarkers, and Prevention
	Gynecologic Oncology
	Journal of Cancer Survivorship
	Journal of Clinical Oncology
	Journal of General Internal Medicine
	Journal of Palliative medicine
	Journal of Psychosocial Oncology

### **Grant Support**

<b><u>Present</u></b>	
<i>Grantor:</i>	<b>Cancer Prevention Research Institute of Texas (CPRIT)</b>
<i>Title of Project:</i>	Integrated lung cancer screening and tobacco cessation in an urban safety-net system
<i>Role (Principal Investigator, Co-Investigator):</i>	Co-investigator
<i>Annual amount and date (direct costs only):</i>	
<i>Dates</i>	3/2023-2/2026
<i>Total amount of award (if multi-year) and dates (direct costs only):</i>	\$1,922,312
<i>Grantor:</i>	<b>NIH/NCI (PI: Pruitt)</b>
<i>Title of Project:</i>	<i>Revisiting Prior Cancer as an Exclusion Criteria for Cancer Clinical Trials</i>
<i>Role (Principal Investigator, Co-Investigator):</i>	Co-investigator
<i>Annual amount and date (direct costs only):</i>	
<i>Dates</i>	2020-2023
<i>Total amount of award (if multi-</i>	\$2,191,758

<i>year) and dates (direct costs only):</i>	
<i>Grantor:</i>	<b>Texas Health Resources (PI: Mullins)</b>
<i>Title of Project:</i>	<i>Mixed methods analysis of low-value end-of-life care among people with cancer in North Texas</i>
<i>Role (Principal Investigator, Co-Investigator):</i>	PI
<i>Annual amount and date (direct costs only):</i>	\$250,000
<i>Dates</i>	2022-2025
<i>Total amount of award (if multi-year) and dates (direct costs only):</i>	\$750,000
<i>Grantor:</i>	<b>NIH/National Cancer Institute (PI: Thompson)</b>
<i>Title of Project:</i>	<i>Cancer Detection in the Emergency Room: Explaining Persistent Disparities</i>
<i>Role:</i>	Co-investigator
<i>Annual amount and date (direct costs only):</i>	
<i>Dates</i>	2022-2026
<i>Total amount of award (if multi-year) and dates (direct costs only):</i>	

<b><u>Past</u></b>	
<i>Grantor:</i>	<b>NIH/National Cancer Institute, 5-UG1-CA-189867-08 (PI: Bruner)</b>
<i>Title of Project:</i>	<i>NRG Oncology NCORP Research Base, pilot: Sexual orientation and gender identity (SOGI) measurement for patient centered cancer care in sexual and gender minority (SGM) populations. (NRG-Mullins-GY8)</i>
<i>Role:</i>	Pilot study PI
<i>Annual amount and date (direct costs only):</i>	\$10,000
<i>Dates</i>	2021-2022
<i>Total amount of award (if multi-year) and dates (direct costs only):</i>	\$10,000
<i>Grantor:</i>	<b>NIH/National Institute on Aging, P30AG066582 (PI: Bynum)</b>
<i>Title of Project:</i>	<i>Cancer Treatment Decision Making in Older Adults with Mild Cognitive Impairment</i>

Role:	Pilot study co-investigator
Annual amount and date (direct costs only):	\$44,000
Dates	2021-2022
Total amount of award (if multi-year) and dates (direct costs only):	\$44,000
Grantor:	<b>NIH/National Cancer Institute, T32-CA236621 (PI: Friese)</b>
Title of Project:	<i>Interdisciplinary research training in cancer care delivery</i>
Role:	Trainee
Annual amount and date (direct costs only):	
Dates	2020-2022
Total amount of award (if multi-year) and dates (direct costs only):	
Grantor:	<b>NIH/National Institute on Aging, 3RF1AG057540-01S2 (PI: Clarke)</b>
Title of Project:	<i>Does proximity to health care resources explain racial inequities in cognitive function</i>
Role:	Co-investigator
Annual amount and date (direct costs only):	\$44,677
Dates	2019-2020
Total amount of award (if multi-year) and dates (direct costs only):	\$44,677

### **Teaching Activities**

Year(s)	Activity
<b><u>Medical and graduate school didactic and small group teaching</u></b>	
2015	Discussion section leader. Strategies and Uses of Epidemiology (EPID 503). Course Director: Sharon Kardia. University of Michigan School of Public Health. (Winter Semester)
2016	Lab section leader. Applied Epidemiologic Data Analysis (Epid 602). Course Director: Ana Baylin. University of Michigan School of Public Health. (Winter Semester)
2016	Lab section leader. Machine learning for Epidemiologic Analysis in the Era of Big Data (EPID 708). University of Michigan School of Public Health. (Summer Session).

2017	Discussion section leader. Introduction to Epidemiology (EPID 600). Course Director: Eduardo Villamor. University of Michigan School of Public Health. (Fall Semester)
2017	Lecturer. Introduction to Epidemiology (EPID 600). Title: “Statistical Analyses in Epidemiology.” Course Director: Eduardo Villamor, University of Michigan School of Public Health. (1 hour)
2018	Discussion section leader. Strategies and Uses of Epidemiology (EPID 503). Course Director: Sharon Kardia. University of Michigan School of Public Health. (Winter Semester)
2020	Lecturer. Principles and Methods of Epidemiology (EPID 601). Title: “Clinical epidemiology.” Course Director: Lindsay Kobayashi, University of Michigan School of Public Health. (1 hour)
2021	Course Director. Social Epidemiology: From Frameworks to Policy (EPID 591). University of Michigan School of Public Health. (Summer 2021)
<u>Dissertation committees</u>	
<u>Qualifying examination committees</u>	
<u>Committees concerned with medical and graduate student education</u>	
<u>Graduate student rotations</u>	
<u>Medical student rotations</u>	
2021	Namratha Atluri, Medical student, University of Michigan Medical School
<u>Graduate and Medical Student Trainees</u>	
<u>Postgraduate medical education (graduate &amp; continuing medical education)</u>	
<u>Postdoctoral trainees</u>	

**Invited Lectures**

Year(s)	Title	Location
---------	-------	----------

<u>National</u>		
2021	<i>Racial Disparities in Ovarian Cancer Care</i>	Black Voices about Gynecologic Cancers: Understanding Experiences (B-VOGUE) Strategy Session. Invited by Onyinye Balogun and Amelia Grenier-Safi.
2021	<i>End-of-Life Care Patterns and Disparities among Women with Ovarian Cancer</i>	University of Michigan Ovarian Cancer Initiative Academic Mini-Meeting. Invited by Karen McLean and Shitanshu Uppal.
2022	<i>Multilevel Barriers and Facilitators to Sexual Orientation and Gender Identity Data Collection in the National Cancer Institute Community Oncology Research Program (NCORP)</i>	NRG Oncology Biannual Meeting. Invited by Mary Cooley and Matthew Hudson.
2022	<i>A Multilevel Implementation Strategy for Sexual Orientation and Gender Identity Data Collection in the National Cancer Institute Community Oncology Research Program</i>	NCI Community Oncology Research Program (NCORP) Annual Meeting, Breakout Session: Promoting Sexual and Gender Minority Inclusiveness in Research, Virtual, August 25, 2022. Invited by Kate Castro.
<u>Regional/Local</u>		
2021	<i>Improving cancer care for adults dying of cancer, older adults, and sexual and gender minorities</i>	UT Southwestern Harold C. Simmons Comprehensive Cancer Center, Dallas, TX. June 29, 2021.
2021	<i>Methodologic considerations for using self-reported cancer diagnoses in the US Health and Retirement Study</i>	Rogel Cancer Center Cancer and Aging Working Group. Ann Arbor, MI. Invited by Lindsay Kobayashi.
