

Curriculum vitae

Date Updated: April 2025

Name: Dr. Laiba Husain

Office Address: E01. 401CD

Work Phone: +1 (734) 486 3806

Work Email: laiba.husain@utsouthwestern.edu

Education

Year	Degree (Honors)	Field of Study (Thesis advisor for PhDs)	Institution
June 2017	Bachelor of Science (BS)	Biopsychology, Cognition, and Neuroscience	University of Michigan, School of Literature, Sciences, and Arts
January 2019	Masters in Public Health (MPH)	Public Health	University of Birmingham, Fulbright Scholar US-UK
January 2025	Doctor of Philosophy (DPhil)	Translational Health Sciences, Supervised by Dr. Trish Greenhalgh	University of Oxford, Department of Primary Care Health Sciences

Honors and Awards

Year	Name of Honor/Award	Awarding Organization
2017	James B. Angell Scholar Award	University of Michigan
2018	Fulbright Scholar Award	US-UK Fulbright Association
2021	Dean's University Scholar Award	University of Oxford
2022	Doctoral Fellowship Award	The Health Improvements Studies Institute
2024	Honoree, International Women of Impact Portrait Series	Green Templeton College, University of Oxford

2025	Nuffield Departmental Award for Outstanding Doctoral Dissertation	Nuffield Department of Primary Care Health Sciences, University of Oxford
------	---	---

Other Professional Positions

Professional Experience

Year(s)	Position Title	Institution
October 2019 – August 2021	Research Associate	University of Oxford
August 2021 – December 2024	Research Analyst Nuffield Department of Primary Care Health Sciences	University of Oxford
November 2022 – December 2024	THIS Consultant The Healthcare Improvement Studies Institute (THIS)	University of Cambridge
February 2025 – Present	Early Impact Scholar Peter O'Donnell School of Public Health	UT Southwestern Medical Center
February 2025 – Present	Member, Advancing Implementation & Improvement Science Program, Peter O'Donnell Jr. School of Public Health, UT Southwestern Medical Center	UT Southwestern Medical Center

Professional Skills Learned

Year(s)	Skills	Institution
October 2019 – August 2021	<p>Collaborated closely with the EU-wide Innovative Medicines Initiative, fostering meaningful engagement and active participation of stakeholders in research</p> <p>Established effective communication channels between diverse stakeholder groups within the EU-wide Innovative Medicines Initiative, ensuring research priorities aligned with patient needs and regulatory requirements while maintaining scientific integrity.</p> <p>Contributed to the development of stakeholder engagement frameworks that significantly enhanced cross-border collaboration, resulting in more comprehensive research outcomes that effectively incorporated diverse perspectives from patients, clinicians, and industry partners.</p>	University of Oxford
August 2021 – December 2024	<p>Conducted mixed-methods analysis across a variety of research projects, providing assistance to primary investigators and supplementing my academic training with practical research skills training</p> <p>Developed and implemented comprehensive research</p>	University of Oxford

	<p>protocols and analytical frameworks that enhanced methodological rigor across multiple studies, contributing significantly to the department's reputation for excellence in primary care research.</p> <p>Collected and analysed data across various research studies, directly informing knowledge products in the form of presentations, academic papers, and professional guidelines</p> <p>Co-authored four first-authored papers and over twenty publications in the past four years</p>	
November 2022 – December 2024	<p>Consulted with THIS Institute in Cambridge, one of the world's largest healthcare research institutes, to strengthen the evidence-base for improving healthcare.</p> <p>Worked with leading academics, activists, policymakers, educational organizations and community representatives to provide strategic insight in various areas ranging from project development, shaping aims and values, engagement practices and codifying evaluation mechanisms.</p> <p>Developed and delivered strategic recommendations that bridged theoretical healthcare improvement frameworks with practical implementation challenges, enabling the institute to optimize resource allocation and maximize research impact across diverse healthcare settings and populations.</p>	University of Cambridge
February 2025 – Present	<p>Highly motivated researcher with demonstrated scholarly impact in primary care positioned to leverage research excellence for enhancing public health outcomes through multidisciplinary collaboration.</p> <p>Planning research initiatives focused on tele-oncology aiming for measurable improvements to public health outcomes and establishing collaborative partnerships with key healthcare stakeholders across the Texas region.</p>	UT Southwestern Medical Center

Major Administrative/Leadership Positions

Year(s)	Position Title	Institution
2023	Research Team Lead, Long COVID Research Initiative	University of Oxford

2024	Doctoral Student Representative, Graduate Studies Committee, Department of Primary Care Health Sciences	University of Oxford
------	---	----------------------

Committee Service

Year(s)	Name of Committee	Institution/Organization
<u>UTSW</u>		
2025	SBS PhD Admissions Working Group	O'Donnel School of Public Health

Professional Societies

Dates	Society Name, member
2021- Present	US-UK Fulbright Admissions Committee
2022-2024	Society for Academic Primary Care
2022-2025	Oxford-Cambridge Academic Health Science Network
	Committees
2023-2024	British Medical Association Medical Academic Staff Committee
2024-Present	American Medical Informatics Association

Editorial Activities

Year(s)	Journal Name
<u>Ad Hoc Reviewer</u>	
2023	Social Science and Medicine Journal (SSM)
2024	British Medical Journal (BMJ)
2024	British Journal of General Practice (BJGP)
2025	Journal of Medical Internet Research (JMIR)

Teaching Activities

Courses

Year(s)	Course Title	Location
<u>Courses</u>		
April 2020	Healthcare Leadership and Management CMI Level 5 Qualification	National Health Service (NHS) Leadership Academy, UK
July 2023	Developing Artificial Intelligence Applications	Department of Continuing Education, University of Oxford
August 2024	The Impact Lab Program	Sa'id Business School, University of Oxford

Invited Lectures

Year(s)	Title	Location
<u>International</u>		
2021	BBC 4Thought Platform	London, England
2022	Psychology of Women and Equalities Annual Conference	Windsor, England
2023	BSA Medical Sociology Annual Conference	Brighton, England
2023	The Society for Academic Primary Care	Birmingham, England
2024	Organizational Behavior in Health Care Conference	Oslo, Norway

Service to the Community

Year(s)	Role	Organization or institution
2023	Mentor with the Women in STEM Mentorship Program	University of Oxford
2023	Advisory Board Member, Digital Access for Marginalized Communities, a non-profit organization focused on reducing the digital divide	ARC Digital Access for Marginalized Communities
2024	Volunteer Health Educator, Oxford Community Health Initiative - Provided digital health literacy workshops for older adults	Oxford-Cambridge Academic Health Science Network
