walter.kutz@utsouthwestern.edu

Education

Fellowship	House Ear Institute Los Angeles, CA Otology-Neurotology, 2005-2007
Residency	Baylor College of Medicine Otolaryngology – Head and Neck Surgery, 2001-2005 Baylor College of Medicine General Surgery Internship, 2000-2001
M.D.	Baylor College of Medicine, 2000, <i>with honors</i> Houston, Texas
B.S.	Texas A&M University - Commerce, <i>with academic distinction</i> Commerce, Texas Majors: Chemistry 1996, Music 1995

Board certifications

American Board of Otolaryngology - Otolaryngology (2006)
American Board of Otolaryngology - Certificate of Added Qualification in Neurotology (2008)

Appointments

Assistant Professor, Department of Otolaryngology – Head and Neck Surgery at the University of Texas – Southwestern School of Medicine (7/2006 – 6/2014)

Associate Professor, Department of Otolaryngology – Head and Neck Surgery at the University of Texas – Southwestern School of Medicine (7/2014 – present)

Associate Residency Director, Department of Otolaryngology – Head and Neck Surgery at the University of Texas – Southwestern School of Medicine (2011 – present)

Neurotology Fellowship Director, Department of Otolaryngology – Head and Neck Surgery at the University of Texas – Southwestern School of Medicine (2011 – present)

Joe Walter Kutz Jr., M.D.

Professional Societies

Alpha Omega Alpha Honor Medical Society
American Academy of Otolaryngology-Head and Neck Surgery
American Neurotology Society
Otosclerosis Study Group
The Triological Society (Post-graduate member)
Dallas County Medical Society
Texas Medical Association
Dallas Academy of Otolaryngology
Texas Association of Otolaryngology
Society of University Otolaryngologists
North American Skull Base Society

Awards and Honors

Professional	Chief Resident Appreciation Award for Outstanding Contribution and Leadership (2009) Honor Award – American Academy of Otolaryngology Head and Neck Surgery (2012)
Residency	J. Charles Dickens Award for Outstanding Basic Science Research Houston Society of Otolaryngology -1 st place resident research competition Award for teaching excellence by residents
Medical school	Elected to Alpha Omega Alpha Honor Medical Society Outstanding Achievement in Otolaryngology – Head and Neck Surgery GATE Pharmaceuticals Outstanding Student Award The John P. McGovern, M.D. Award for Excellence in Psychiatry
Undergraduate	Alpha Chi Honors Fraternity Presidential Scholarship, 1991-95 Arthur M. Pullen Scholarship for Outstanding Biology Student, 1995 Lena Turner Fine Arts Scholarship, 1991-95

Grant funding and research studied

Otonomy Inc. *A prospective, randomized, double-blind, placebo-controlled, multicenter, phase 1b study of OTO-104 given as a single intratympanic injection in subjects with unilateral Meniere's disease.* 3/2010-9/2010. Total \$34,044. Primary investigator at UTSW.

The Research Institute at Nationwide Children's Hospital. *Virtual temporal bone surgery: Defining and translating standardized metrics to an automated assessment tool.* 8/5/2011-current. \$8000/annual. Primary investigator at UTSW.

Multicenter prospective analysis of treatment outcomes in patients with large acoustic neuroma receiving subtotal resection with backup stereotactic radiation therapy. Stanford Medical School. Total \$0. Primary investigator at UTSW.

Otonomy Inc. *A prospective, randomized, double-blind, placebo-controlled, multicenter, phase 2 study of OTO-104 given as a single intratympanic injection in subjects with unilateral Meniere's disease.* 10/2013-current. Total \$96,804. Primary investigator at UTSW.

Joe Walter Kutz Jr., M.D.

Auris Medical. *Efficacy and safety of AM-101 in the treatment of acute peripheral tinnitus (TACTT2)* 10/2013-current. Total \$53,656. Primary investigator at UTSW.

Scientific Presentations

1. Zhao HB, **Kutz JW**, Brownell WE. The fluidity of outer hair cell lateral membranes covaries in response to osmotic challenge. Society for Neuroscience, 30th Annual Meeting. Miami Beach, (October 1999)
2. Zhao HB, **Kutz JW**, Brownell WE. Tension dependent membrane fluidity in the outer hair cell plasma membrane. Association for Research in Otolaryngology, 23rd Midwinter Research Meeting. St. Petersburg, FL. (February 2000)
3. Zhao HB, **Kutz JW**, Brownell WE. Reversible ballooning of the OHC lateral wall: A photic hop in the dance of hearing. Association for Research in Otolaryngology, 23rd Midwinter Research Meeting. St. Petersburg, FL. (February 2000)
4. **Kutz JW**, Zhao HB, Brownell WE. Membrane fluidity of the subsurface cisternae in the outer hair cell. Association for Research in Otolaryngology, 23rd Midwinter Research Meeting. St. Petersburg, FL. (February 2000)
5. **Kutz JW**, Manolidis S. Neuropsychological testing in the screening for cochlear implant candidacy. The Triological Society, 105th Annual Meeting. Boca Raton, FL. (May 2002)
6. **Kutz JW**, Manolidis S. Lateral sinus thrombosis: Experience with 16 patients. The Triological Society, 106th Annual Meeting. Nashville, TN. (May 2003)
7. **Kutz JW**, Simon L, Chennupati SK, Giannoni CG, Manolidis S. Clinical predictors for hearing loss in children with bacterial meningitis. AAO-HNSF Annual Meeting. Orlando, FL. (September 2003)
8. **Kutz JW**, Chennupati SK, Brownell WE. Effect of osmolality on lipid lateral diffusion in prestin-transfected and wildtype HEK-293 cells. Association for Research in Otolaryngology, 27th Midwinter Research Meeting. St. Petersburg, FL. (February 2004)
9. **Kutz JW**, Gallagher K, Isaacson B, Vrabec JT. Delayed-onset facial nerve paresis after acoustic neuroma surgery. AAO-HNSF Annual Meeting. Los Angeles, CA. (September 2005)

Educational courses

1. **Kutz JW**, Batra PS. Diagnosis and management of spontaneous CSF fistula. AAO-HNS Annual Meeting. (September 2014-current)
2. Lin J, **Kutz JW**, Isaacson B. Optimizing EHRs for the otolaryngologist. AAO-HNS Annual Meeting. Orlando (September 2014)
3. Co-director. 1st annual University of Texas Southwestern Medical Center resident temporal bone course. May 15-16, 2015
4. Co-Director of Otology Fellows Congress and Advanced Course in Ear and Skull Base Surgery. Yasargil Surgical Skills Laboratory and Education Center. University of Arkansas for Medical Sciences, Little Rock, AR (April 2016)
5. Co-Director of the North Texas Cochlear Implant Symposium. Callier Center for Communication Disorders at UT Dallas. (May 2016)
6. Guest faculty. Midwest Temporal Bone Course. University of Kansas. (October 2016)
7. Co-director. 2nd annual University of Texas Southwestern Medical Center resident temporal bone course. October 14-15, 2016.
8. Guest faculty. Louisiana State University Temporal Bone Dissection Case. (November 11, 2016)

Joe Walter Kutz Jr., M.D.

9. Guest faculty. The Ohio State Lateral Skull Base Dissection Course. (December 11-12, 2016)
-

Invited lectures

1. “Malignant tumors of the temporal bone”. University of California – San Diego Department of Otolaryngology Grand Rounds. (June 2007)
2. “Introduction to Otoscopy”. Internal Medicine Grand Rounds. Parkland Memorial Hospital. (September 2007)
3. “Current management of vestibular schwannoma”. Texas Association of Otolaryngology. San Antonio, TX. (May 2008)
4. “Auditory neuropathy”. Dallas Cochlear Implant Program. Dallas, TX (September 2008)
5. “Otosclerosis and ossiculoplasty”. Hearing Loss Association of America. Dallas, TX (September 2008)
6. “Evaluation of the dizzy patient”. 9th annual meeting of the Texas Academy of Audiology. Dallas, TX. (November 2008)
7. “The balance team: Collaboration in the care of the dizzy patient”. American Academy of Audiology. Dallas, TX. (April 2009)
8. “Hearing preservation strategies in the management of vestibular schwannoma”. Skull Base Grand Rounds. University of Texas Southwestern Medical Center. (April 2011)
9. “Audiology for the Otologist: What Really Matters?” Texas Academy of Audiology, Dallas, TX (November 2011)
10. “Surgical therapy and aspects in neurofibromatosis type 2”. Texas Neurofibromatosis Association, Arlington, TX (September 2013)
11. “Coding for hearing and balance disorders”. Annual Meeting. North Texas Society of Professional Coders. (October 2013)
12. “Auditory Neuropathy”. Texas Academy of Audiology – Demystifying the Early Hearing and Detection and Intervention. Richardson, Texas. (October 2013)
13. “Collaborative Evaluation and Management of Patients with Dizziness, Hearing Loss, and Tinnitus” Annual Meeting. Texas Academy of Audiology. Richardson, TX (October 2013)
14. “Innovations in the surgical management of sensorineural hearing loss”. Texas Association of Otolaryngology. Austin, TX (May 2015)
15. “Otologic manifestations of head trauma”. Children’s Health Pediatric Sports Medicine and Concussion Conference. (March 2016)
16. “Update of Auditory Brainstem Implants”. North Texas Cochlear Implant Symposium. Callier Center for Communication Disorders at UT Dallas. (May 2016)

Joe Walter Kutz Jr., M.D.

17. “Traumatic facial nerve injury: Management options”. American Neurotology Society. (May 2016)
18. “Otology and audiology: Collaboration to improve patient outcomes”. Texas Academy of Audiology, Frisco, TX (October 2016).

Joe Walter Kutz Jr., M.D.

Committee Leadership and Participation

Local

Medical Director 5th Floor – Zale-Lipsky University Hospital (2103-present)
Clinical Center for Neurosciences Steering Committee – University Hospital (2013-2014)
Block Allocation and Utilization Committee – University Hospitals (2013-present)
Peer Review Committee – University Hospitals (2013-present)
Chair Credentials Committee – Parkland Hospital (2012-present)
Credentials Committee – Parkland Hospital (2012)

Regional

Governor of the AAO-HNS Board of Governors representing the Dallas Academy of Otolaryngology
President of the Dallas Academy of Otolaryngology (2010-2011)

National

American Neurotology Society Scientific Program Committee (2015-present)
AAO-HNS Otology and Neurotology Education Committee (2015-present)
Chair - Neurotology Milestones Committee with ACGME (2013-present)
Otolaryngology Milestones Committee with ACGME (2011-present)
AAO-HNS Equilibrium Committee (2012-present)
AAO-HNS Committee for Implantable Hearing Devices (2009 – present)
AAO-HNS Skull Base Surgery Committee (2009-present)
AAO-HNS Committee for CPOP (2009-2011)

Scientific/Educational Activities

Associate Residency Director, Department of Otolaryngology (2011-present)
Neurotology Fellowship Director, Department of Otolaryngology (2011-present)
Editorial Board – *Otology & Neurotology* Journal (2013-present)
Task Force for New Materials – American Board of Otolaryngology (2011-2014)
Reviewer for *The Laryngoscope* journal
Reviewer for *Otolaryngology – Head and Neck Surgery* journal
Reviewer for *Archives of Otolaryngology – Head and Neck Surgery Otolaryngology*. Thieme, 2010.
